Lead the Wave of Innovation

This premier regional event brings together over **200 decision makers** including water professionals, utility leaders, engineers, regulators, scientists, and innovators from across New England. As an exhibitor, you'll gain direct access to a dynamic and diverse audience actively seeking the latest technologies, services, and sustainable solutions to meet today's water challenges—and tomorrow's.

Exhibit Hall Features

- **Dedicated Expo Grand Opening** with no competing technical sessions
- **Exhibit Hall Reception** – Wed., Oct. 29 evening with drinks and hors d'oeuvres
- **Refreshment Stations** to encourage attendee traffic

Exhibitor Package Includes

- One (1) **8' x 10' booth** table-top exhibit
- One (1) **full conference registration** (additional reps at discounted rate)
- Listing in the **conference program, website, and conference emails**
- Access to **pre- and post-show attendee lists**

Investment

-  **Section Member Rate:** \$1,050 per table-top
-  **Non-Member Rate:** \$1,250 per table-top
-  **Sponsorship opportunities** available for increased visibility (see [Sponsorship Prospectus](#). Some sponsorships include space)

 **Register and more information at:** NE-AWWA.org/Annual_Conference

Why Exhibit?

- Unmatched Industry Exposure**
Showcase your products and services to **decision-makers** representing municipal water utilities, private firms, government agencies, and academic institutions.
- Engaged and Targeted Audience**
Reach utility directors, engineers, operators, asset managers, consultants, lab professionals, and young professionals—all in one place.
- High-Impact Networking**
Build brand recognition and generate quality leads during dedicated Exhibit Hall hours, receptions, and refreshment breaks held on the show floor.
- Support the Advancement of Water Innovation**
Be recognized as a forward-thinking company driving progress in water treatment, sustainability, and resilience.

CAREER FAIR

Together, Let's Build the Future of Water

 Thursday, October 30, 2025

 Register at: [NE-AWWA.org/Annual_Conference](https://ne-awwa.org/Annual_Conference)

 Fair Open to Attendees: 10:00 AM – 2:30 PM

 Encore Boston Harbor, Everett, MA

Held in conjunction with NEW ENGLAND SECTION AWWA's largest event of the year, this **Career Fair** will bring together **students, young professionals, and mid-career changemakers** seeking to build meaningful careers in the water industry. Participating organizations will have direct access to top talent from across the region—motivated individuals ready to join your mission in sustaining, protecting, and advancing water systems throughout New England.

Who You'll Meet

-  **Students** – Pursuing degrees in engineering, water technology, biology, chemistry, environmental science, sustainability, and public health. Our Student and Young Professionals Program, featuring dedicated activities and networking opportunities, will be held concurrently with the Career Fair that will give you access to a host of great talent.
-  **Young Professionals** – Recent graduates and young professionals looking for internships, entry-level roles, and career advancement who are ready to apply their knowledge and energy to meaningful work
-  **Experienced Professionals** - Exploring new opportunities in utility operations, engineering consulting, laboratory science, regulatory affairs, asset management, and more.

What's Included for Participating Organizations

- Career Fair **table space** with signage
- **Two complimentary passes** to the Career Fair
- **Access to pre-submitted résumés and profiles** of job seekers
- Promotion in the Section's **web page, conference guide and event app**

Investment

- ✓ **NEW ENGLAND SECTION AWWA Members:** \$250
- ✓ **Non-Members:** \$400
(Includes all Career Fair benefits listed above)

Ready to Connect?

Reserve Your Spot Today!

Space is limited—and demand is high. Secure your table early and get in front of the industry's rising stars.

Register at: https://ne-awwa.org/Annual_Conference or contact info@ne-awwa.org

CAREER FAIR: Why You Should Be There

- ✓ **Meet Top Talent Face-to-Face:** Tap into a rich pipeline of candidates from across New England—motivated students, new grads, and professionals transitioning into the water sector.
- ✓ **Recruit with Purpose:** From internships and field positions to engineering and leadership roles, this is your platform to find the right fit for your team.
- ✓ **Raise Your Profile:** Stand out as an employer of choice and a leader in water, sustainability, and public service.
- ✓ **Support the Industry's Future:** Demonstrate your commitment to workforce development while building valuable relationships that can fuel long-term growth—for your organization **and** the industry.
